15th Annual Hospice of the North Country Golf Benefit Frank Davio Memorial

WE'RE BACK! After cancelling last year's tournament due to the pandemic, we're very excited to return to the beautiful Malone Golf Course!

Who We Are

Hospice of the North Country is a non-profit agency dedicated to providing compassionate physical, emotional, spiritual, and social support to terminally ill individuals and their families in Northern Franklin and Clinton Counties. Our team of health care professionals and volunteers offer a variety of personal and comfort care services so patients can remain at home with the support of their loved ones and friends. To that end, we offer caregiving and disease progression education as well as social work and bereavement support services to family caregivers. We believe it's a privilege to serve our communities during life's most challenging circumstances; our program helps patients focus on living life to its fullest, loving, and making every moment count, when a cure is no longer possible.

Golf with us!

Why Sponsor Our Event?

Funds raised through special events and appeals fill the gaps between grants, Medicare, Medicaid and Private Insurance reimbursements. In addition to supporting ongoing programs, these funds allow us to provide crucial services such as non-reimbursable bereavement support for patient families and community members. We have never turned away a patient in need for being uninsured or underinsured; we believe everyone has the right to die with dignity and receive compassionate end-of-life care.

What Families Are Saying

"Words can't express our appreciation for the care that Hospice was able to provide my mother."

"Our family is grateful for the wonderful care, advice, support, and help provided to us and our mother."

"It was with your assistance that enabled us to fulfill our mother's wish to pass away at home."
